Dear Controlled Force,

I would like to thank you for the training that you provided to me in December in Tunica Mississippi.

I am retired from the United States Army and have completed seven (7) tours of duty in Iraq, Afghanistan, Somalia and have been in Law Enforcement for 15 years. I am currently a Public Safety Shift Commander and Lead Training Captain at Fisk University in Nashville, Tennessee. This was clearly some of the best training I have been through in my life time. The training was new and interested. I plan to continue my training with Controlled Force and look forward to the interaction with this highly qualified group on individuals.

Once again thank you for your selfless service that you provide for us Front Line law enforcement professionals.

Sincerely,

Timmy Wells
