“Most seminars talk about doing it. This one does it.”

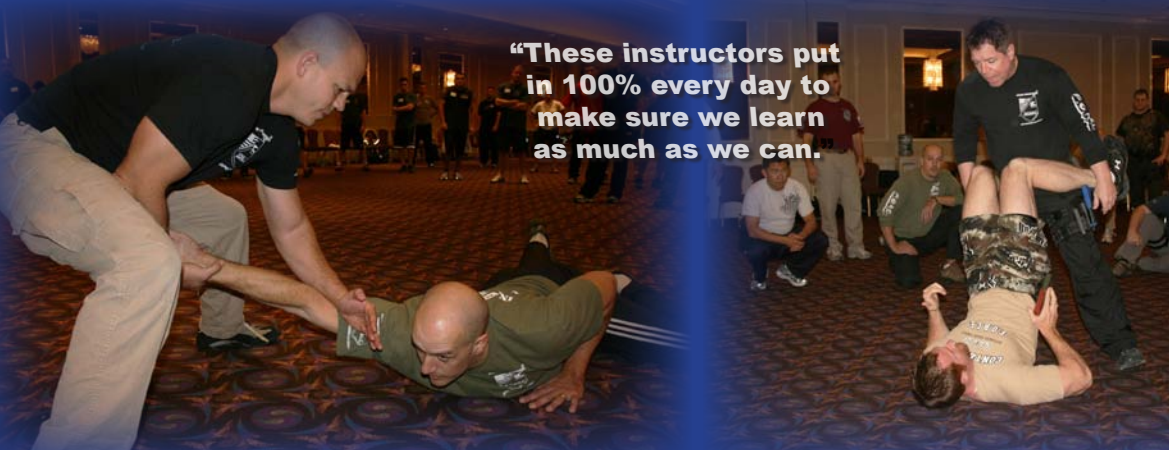

United States National Standards of Training Association (U.S.N.S.T.A.) is dedicated to working to solve critical issues faced by our nation's First Responders.

This year's training seminar is designed to improve the First Responder's ability to remain confident and operational during critical situations with a determined offender(s). Training will cover content from controlling and arresting non-compliant subjects, to street survival tactics, to responding to spontaneously occurring ACTIVE SHOOTER incidents.

All **LAW ENFORCEMENT, CORRECTIONS, MILITARY, and SECURITY** Personnel and Administrators are invited to attend this training seminar that covers four days of physically intense, hands-on training.
